alzado perfil

planta

This block shows a 3D isometric view of a stepped block. The front face is 3 units wide and 2 units high. The top surface is 3 units wide and 2 units deep. The back face is 3 units wide and 3 units high. The right side is 3 units wide and 3 units high. A 3x3 grid of dots is provided for the 'alzado' (front view) and 'perfil' (side view) projections. A 3x3 grid of dots is provided for the 'planta' (top view) projection. An arrow points to the right.
